6th Kyu Test at Two Rivers Aikikai

One of the objectives in the 4 week Beginner Session is to begin preparation for new students to test for rank. Testing is a choice for all members of the dojo and is not required. However, it is a way for students to document their individual progress in Aikido. Students test for six 'kyu' ranks in white belt starting with the 6th kyu test and progressing to their 1st kyu test. Black belt or 'dan' testing starts with the test for shodan or 1st dan and goes on from there.

The minimum time of practice for the 6th kyu test is 25 days of practice. The 6th kyu test will be offered 4 times per year in January, April, July and October along with other kyu tests. Students join the USAF when testing for 6th kyu. There is a fee of \$50 to join the USAF. There is no additional fee for the 6th kyu test. Successive kyu tests have a \$50 fee and the annual USAF member dues are \$50.
